

Riverside Community Club

June 2026

"To foster and promote sporting, recreational, charitable, educational and social activities."

THANK YOU!

The Riverside Community Club extends a heartfelt thank you to **Splatsin Development Corporation** and **Blumen Fields Flower Farm** for their generous donations. The park benches made of the reclaimed wood from Baxter Bridge and the beautiful perennial plants help to provide a wonderful place for community members to rest, enjoy the scenery, and connect with one another at the Riverside Hall grounds. We are truly grateful for these contributions to our shared outdoor space.

GENTLE CORE AND STRETCH CLASSES

Mondays at 10:15 am Drop-In: \$10 | 4 Classes: \$35 Call or text Leanne: (236) 984-5578

YOGA

Every other Tuesday 7pm (Facebook: Riverside Yoga)

History of Riverside Hall

By Tana Woodward

Fun Facts

The floor of the Riverside Hall is made from locally grown birch. Some of the wood was so hard nails wouldn't go in so needed to be drilled. At one point during sanding a spark landed in the sawdust bag and did some damage to the floor.

An old cream can was used to create a circle for the basketball lines.

Before being replaced, there were interesting artistic designs on the interior walls of the hall caused by worms that lived inside logs taken from the Department of Transport powerline right-of-way on Hunters Range.

Proctors Picnic 1923

Volunteers Needed! Riverside Community Club runs entirely through the support of volunteers. We're always looking for helping hands, even a few hours makes a difference: Info@RiversideHall.ca

Thank you to all members, volunteers and sponsors for helping make our community a strong and welcoming place.

We wish everyone a safe and enjoyable start to summer!
